

## **Request for Annual Reports**

**TO:**

***All District Vice President Generals, Vice President Generals,  
General Officers and State Presidents***

**GREETINGS:**

As you know, the annual gathering of the General Society of the War of 1812 will be held in Philadelphia, PA on August 4th through August 7th, 2022.

To prepare a full Annual Report to submit to the membership during our Annual Meeting, each General Officer, District Vice President General and State Society through their select representative, are asked to provide me with a detailed report on your activities over the last year (August 2021-Present).

State Societies: Feel free to provide as much detail as possible to give the reader an overview of your society's activities during the last year. In particular, you are asked to please include the names and contact information of all officers currently elected to serve your society, in particular your current President, Treasurer, Secretary, Registrar and State Society-Vice President General.

Your report will be assembled along with reports received from others and compiled in a full report to be submitted at the Annual Meeting. Understanding it will take time to organize and assemble the Annual Report, you are asked to ***please provide me with your individual reports as soon as possible, but in no event later than Friday, July 22nd, 2022.*** Your anticipated cooperation in this regard is greatly appreciated.

It is my hope that many of you are planning on attending the Annual Meeting and I will see you in Philly. If you haven't already, please get your registrations in.

Should you have any questions or concerns with the foregoing, please feel free to email me at [Sandyman56@aol.com](mailto:Sandyman56@aol.com).

Fraternally yours,

-Sandy-
